THE LIGHT STAYS ON

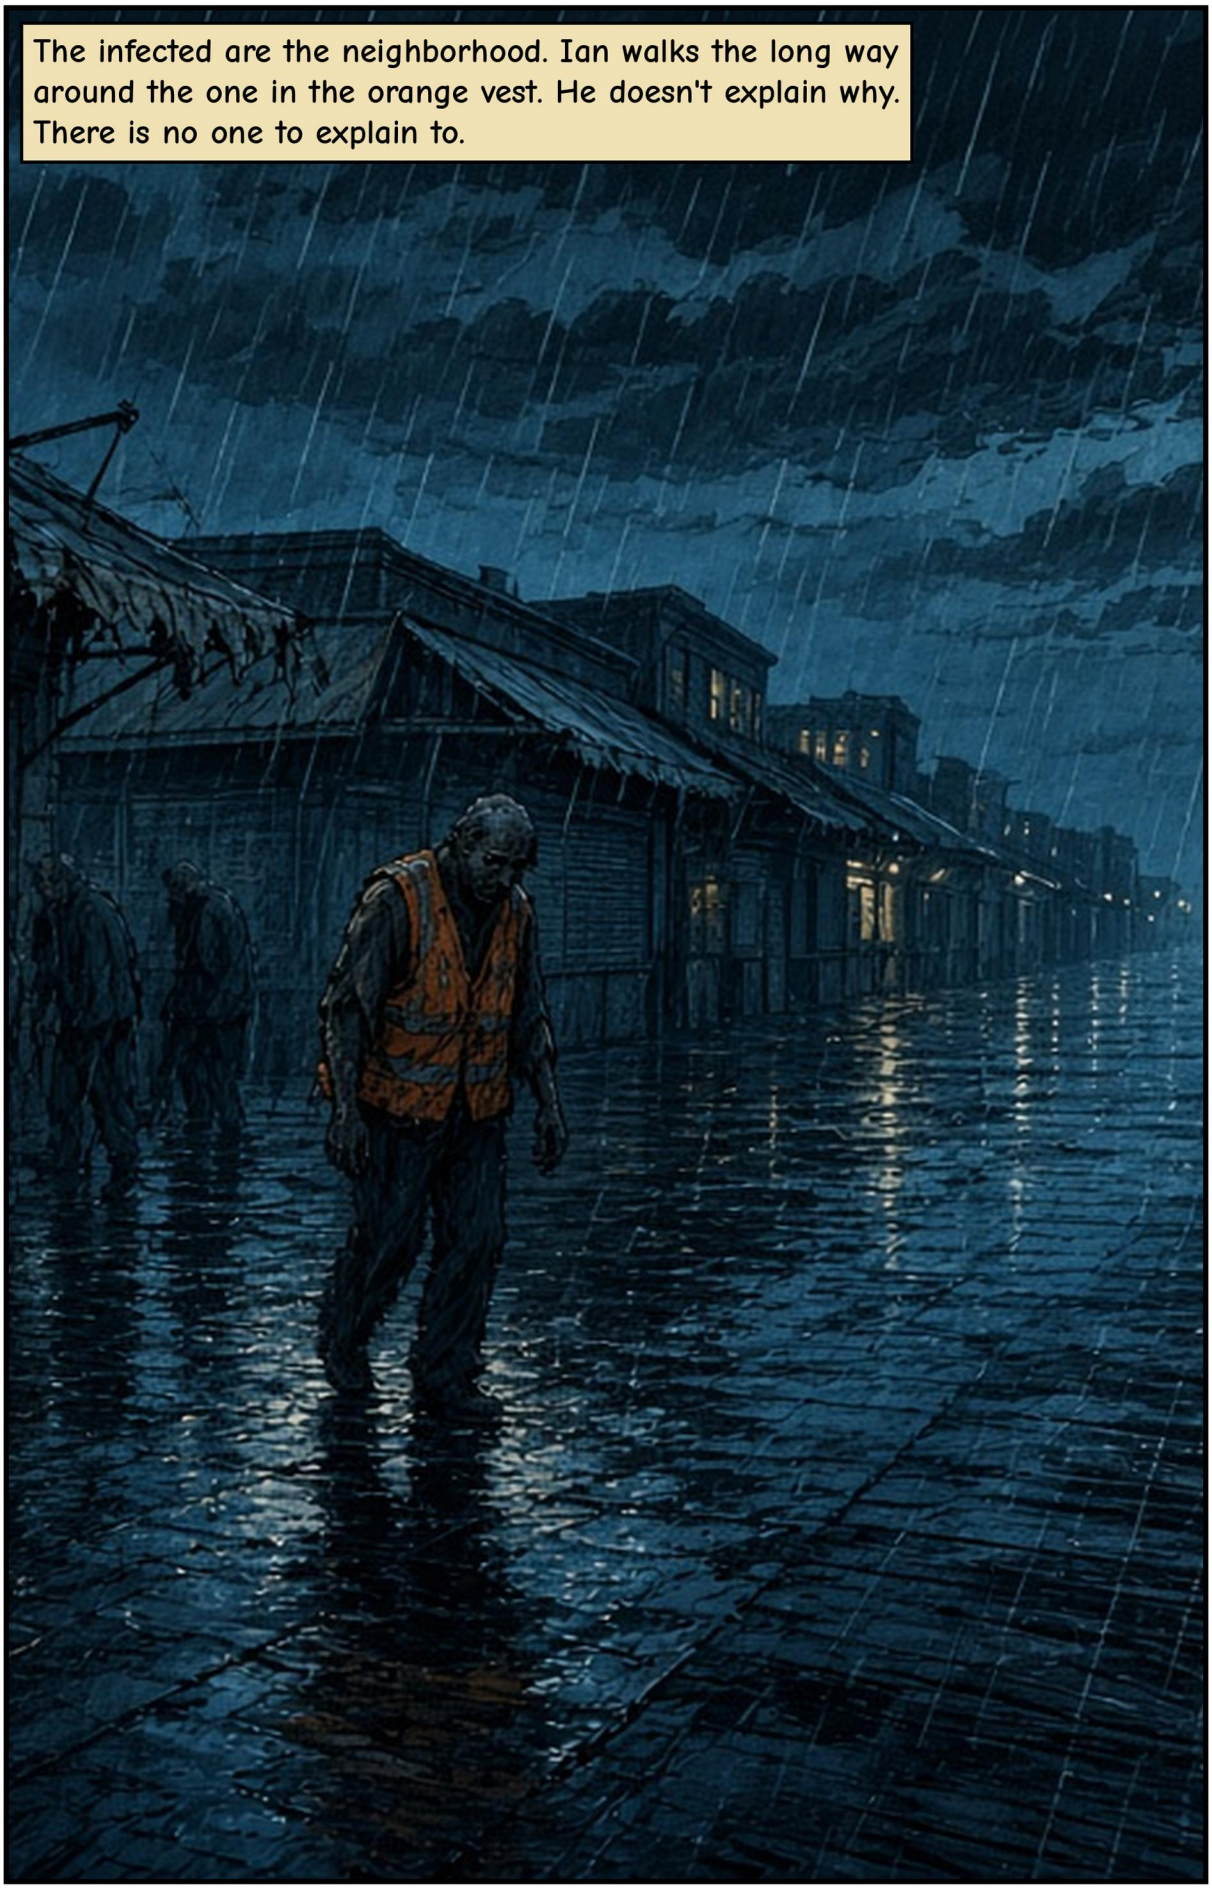

CHAOTIC DESIGNS

ISSUE #2

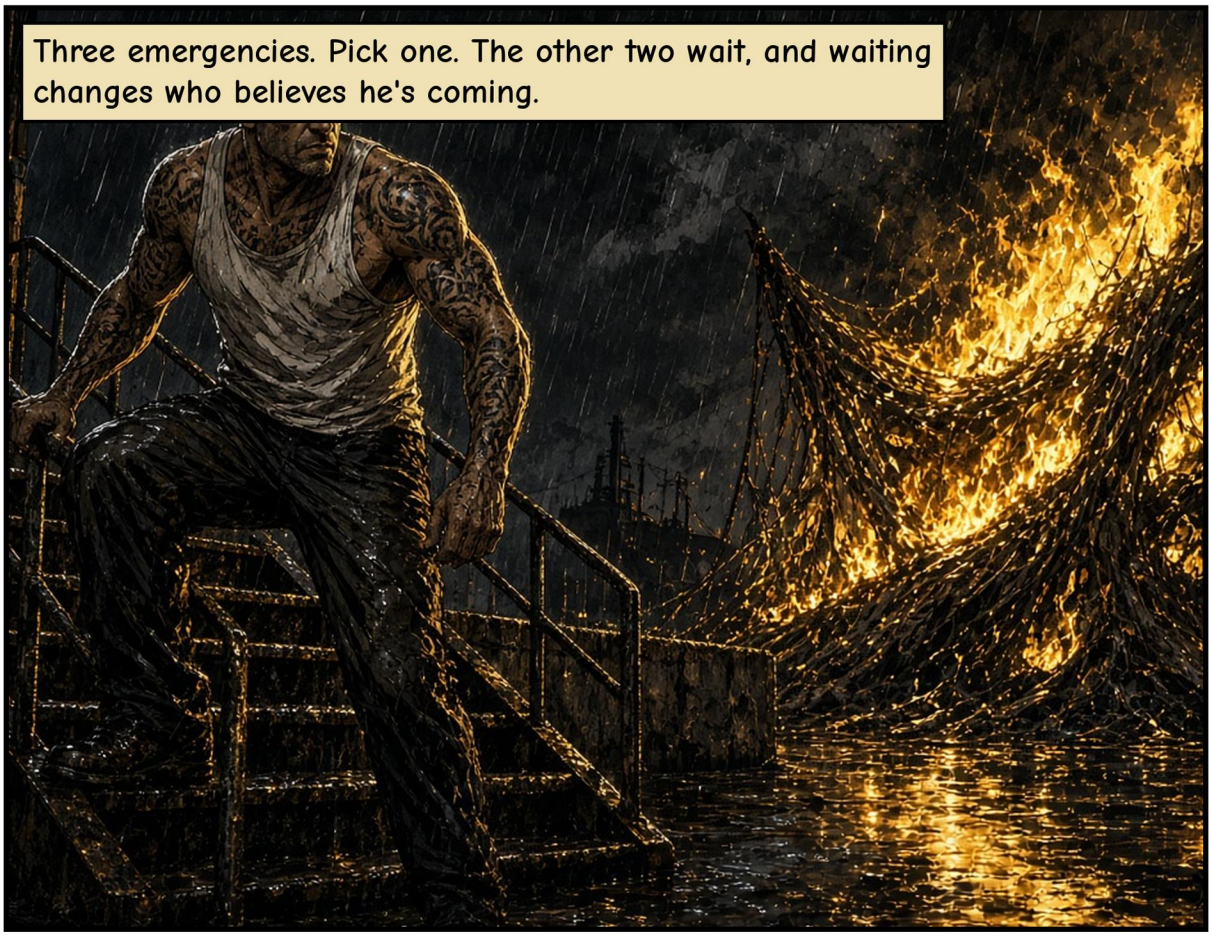

Night Zero broke the vow. He went back for people. For Missy first.

A knife. A damaged pistol. And Missy's last coordinates. This is the last time Ian looks like the man who came ashore.

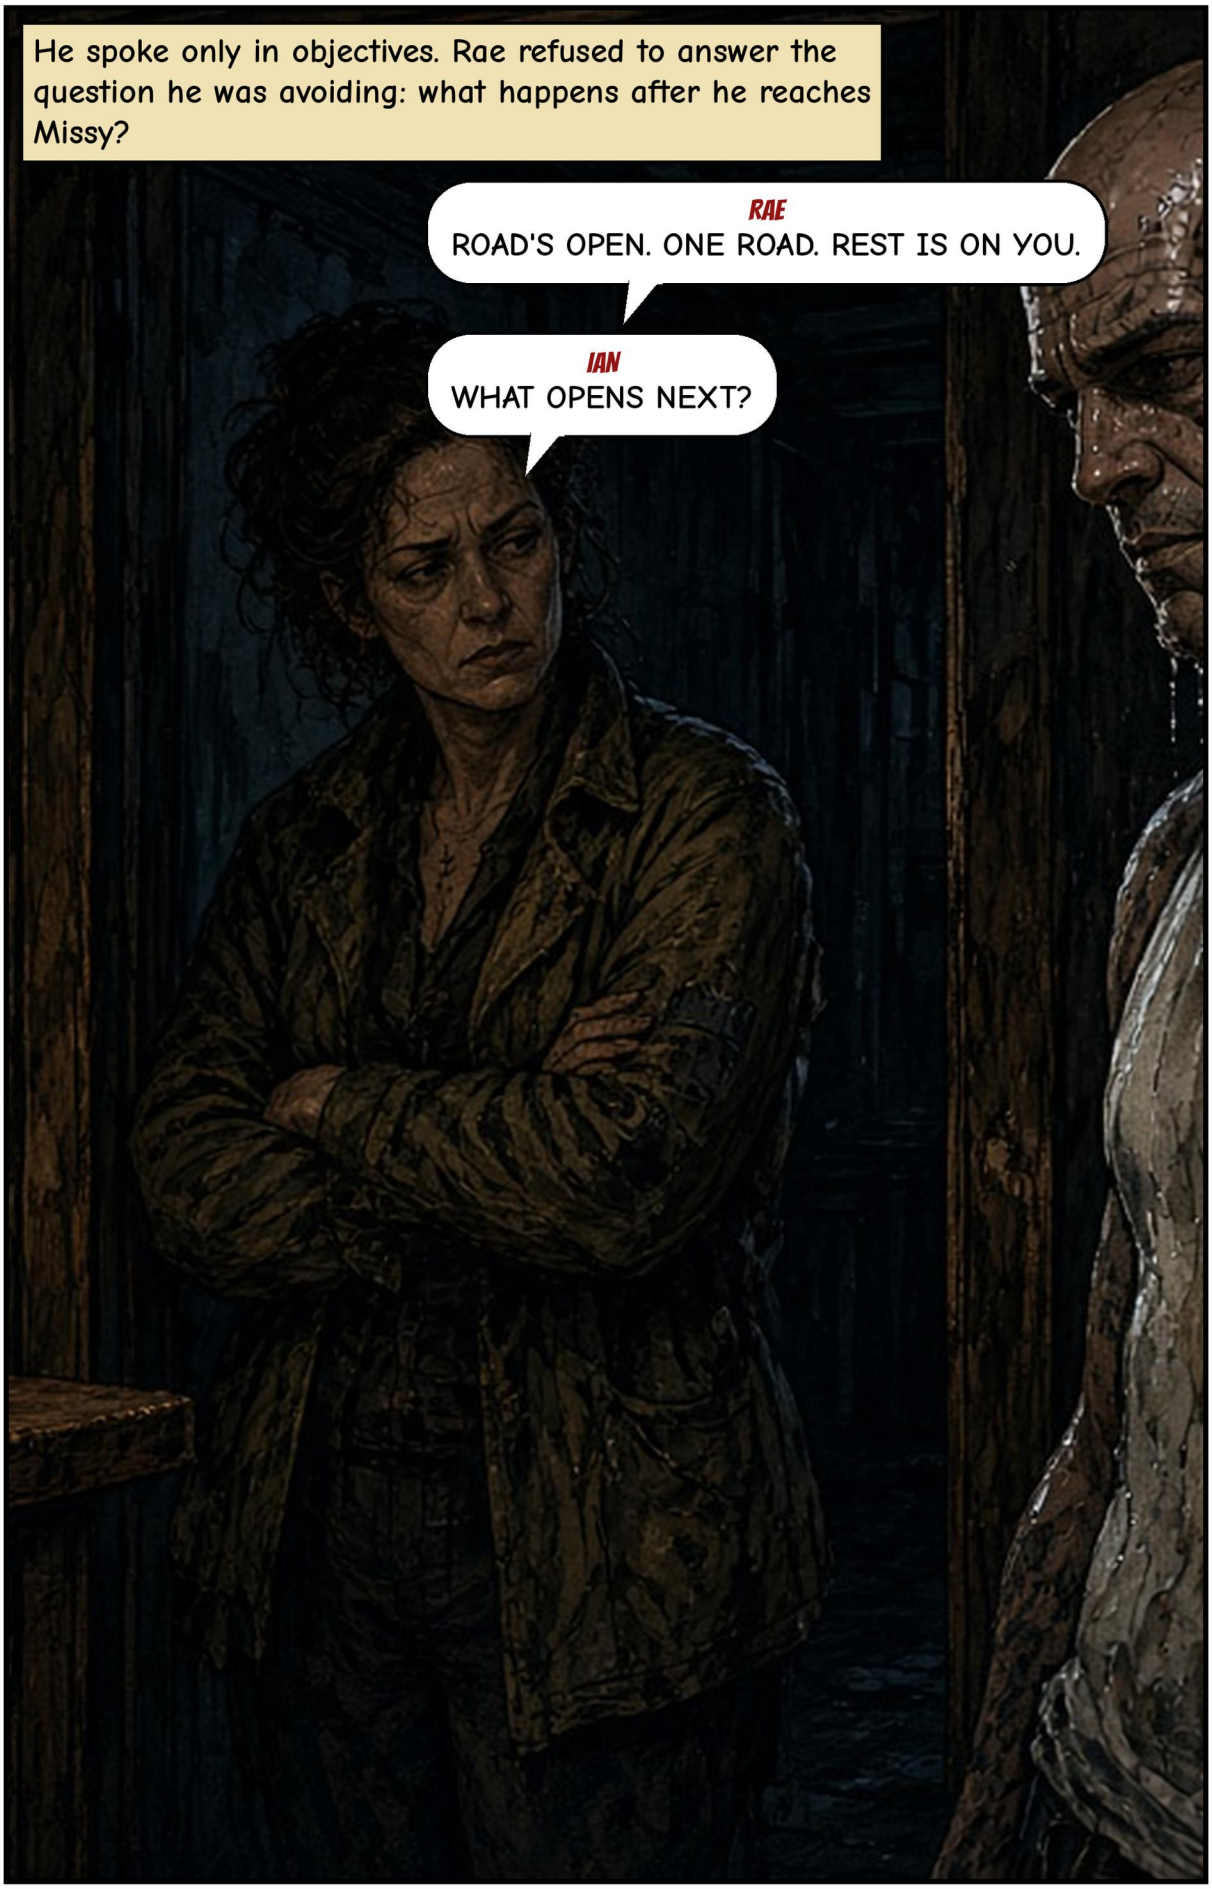

The infected are the neighborhood. Ian walks the long way around the one in the orange vest. He doesn't explain why. There is no one to explain to.

RADIO
...PEAT... MISSY'S CALL SIGN... HIGH POINT... ANY STATION...
RAE

RAE

IAN
WHERE?
RAE

Three emergencies. Pick one. The other two wait, and waiting changes who believes he's coming.

He spoke only in objectives. Rae refused to answer the question he was avoiding: what happens after he reaches Missy?
RAE
ROAD'S OPEN. ONE ROAD. REST IS ON YOU.
IAN
WHAT OPENS NEXT?
